

Thank you for volunteering as a member of Christ Lutheran Church. Your participation as a volunteer witnesses to others of your faith and desire to be part of this church family. We ask that all members confirmation program age and above fill out separate forms and return either to the church office or put in the offering plate. Information that would be important to know include things such as months away from Byron. (such as snowbirds etc.) Remember this information is for the year 2010. If you have participated in a group such as “prayer chain” in 2009, it is necessary to indicate a desire to continue participating in that group activity. Otherwise the assumption may be that you no longer wish to continue to participate in that particular activity.
