

Wednesday March 6th, 2019 is Ash Wednesday and the start of Lent. The church hosts a soup supper before each Wednesday's service leading up to Holy Week. It is mandatory for confirmands to attend all of the services and to participate with their group at their designated station each week. Confirmands may submit sermon notes for these services. **Each student must have at least 1 parent or guardian serve along with them during Meal Prep and Serve/Cleanup weeks.**

Meal preparation starts at 4:30 and is the earliest time you will need to be here. Church service begins at 6:30 and all students need to attend the service. Sometimes parents are needed to stay back and finish dishes. All small groups meet in the Sunday school room next to the kitchen and are welcome to eat at that time. Please clean up after yourselves.
